

Geography & Planning, Faculty of Arts & Science - Program Completion Award Application

The A&S Program Completion Award (PCA) is intended to provide direct income support to students who need extra time to complete their degree as a result of COVID-19 related delays to academic progress. The award will complement the tuition fee exemption provided through SGS, as well as other traditional forms of graduate support such as TA and RA income and direct support from graduate units and supervisors. Please review the full [eligibility requirements and application procedures](#) for further details.
