Job/Internship Information

Job/position title:

Land Use Planning Assistant

Dates/Duration of your internship:

May 27, 2019 – July 19, 2019

What basic work did you perform?

- Policy planning review, assisting with public facing reports, urban design

In what ways did the internship enhance your planning education?

- This work experience enhanced my understanding of Provincial Policy (i.e. the PPS and A Place to Grow) documents and how they can inform local planning decisions

Would you recommend this internship to other students?

- Yes – it was a good learning experience and friendly staff

Suggestions you have for year 1 students looking for internship:

- Start early and keep your chin up; I applied for this job in February and didn't hear back from them until May!
